

CURRICULUM VITAE

I Personal Details

Name : K. S. James

Current address : Professor and Head
Population Research Centre,
Institute for Social and Economic Change (ISEC)
Nagarbhavi-P.O.
Bangalore-560 072
Tel : +91-80-23210067 (off Direct)
23215468 Ext 123 (off)
Mob: 9448468990
Fax: +91-80-23217008
Email : james@isec.ac.in

Area of Specialiation : Formal Demography, Data System, Health Studies,
Population and Development, Economics of diseases

II. Educational Qualification

- 1. Postdoctoral (non-degree) (2000):** Harvard Centre for Population and Development Studies, Harvard University, Cambridge, MA, USA
- 2. Ph.D in Population Studies (1992-95):** Centre for Development Studies, Trivandrum, and Jawaharlal Nehru University, New Delhi.
- 2. M.Phil (1991-92) :** International Institute of Population Sciences, Bombay.
- 3. Master of Population Studies (1990-91):** International Institute of Population Sciences, Bombay.
- 4. M.A in Economics (1987-89):** St.Thomas College Pala, Kottayam affiliated to Mahatma Gandhi University, Kottayam, Kerala.
- 5. B.A in Economics (1984-87):** St.Thomas College Pala, Kottayam affiliated to Mahatma Gandhi University, Kottayam, Kerala.

III. Fellowships and Awards

1. Visiting Fellow, International Institute for Applied System Analysis, Laxenburg, Austria, May-June, 2010.
2. ESRC-ICSSR visiting fellowship to London School of Economics, London during April-June, 2009.
3. Visiting Fellowship, French National Institute of Demographic Studies (INED), Paris, France, November- December, 2007.
4. The Srinivasan Award for best substantive paper published in the journal 'Demography India' in the year 2001.
5. Visiting Fellowship, Harvard Center for Population and Development Studies, Harvard University, Cambridge, MA, USA, May-November, 2000.
6. ICSSR Doctoral Fellowship, Centre for Development Studies, Trivandrum, Kerala, 1992-1995.
7. Junior Research Fellowship from UGC (JRF-NET), International Institute of Population Sciences, Mumbai, 1991-92.

IV. Participation in Seminars and Conferences outside India

1. ***“Dimensions of Health Inequalities in India”***, paper presented at the Workshop on “Health Care Inequalities in Brazil and India: Substantive and Methodological Issues” held at CEDEPLAR, UFMG, Belo Horizonte, Brazil during June 28 – July 2, 2010.
2. ***“Human Capital Projection for Indian States, 2001-50”*** paper presented at the International Institute for Applied System Analysis, Laxenburg, Austria on June 11, 2010.
3. ***‘Demographic Transition in India: Opportunities and Challenges’*** paper presented at the workshop on ‘Population and Development in Asia’ at London School of Economics, UK, June 30, 2009.
4. ***“Economic Aspects of Access to Maternal Health Care Services: Evidence from Indian Data”*** paper presented at the BSPS-ESRC Workshop on ‘Poverty & reproductive health in poor countries: Issues, measurement & evidence’ at London School of Economics, May 29, 2009.
5. ***‘Economic Growth and Health Status in India: Emerging Paradoxes’*** paper presented in the Social Statistics Applications and Policy Seminar Series, University of Southampton, UK, May 27, 2009.
6. ***“Economic growth and health status: investigation of the macro relationship in India”***, paper presented in the Population Research Seminar Series at the London School of Economics, UK on May 8, 2009.

7. ***“Understanding Demographic Perspectives on HIV/AIDS”***, paper presented at the workshop on Interdisciplinary Research on Development organised by the Global Development Network, Brisbane Australia, January 27-February 2, 2008.
8. ***“Demographic Transition and Economic Development in Kerala”*** paper presented at the Multidisciplinary and Intermediate Research Initiative at University of Punjab, Lahore, Pakistan, by South Asian Network of Economic Research Institutes, March, 31, 2007.
9. ***“Age structure transition and migration in Kerala: The Possible links”*** at the workshop on Multidisciplinary and Intermediation Research Initiatives of Global Development Network, at St. Petersburg Russia, January 19-24, 2006.
10. ***“Maternal Mortality in India: Empirical Evidence”*** paper presented at the International Population Conference held by International Union for the Scientific Study of Population (IUSSP) held at Tours, France, July 18-23, 2005.
11. ***“Demographic Transition and Economic Development in Kerala: The Role of Emigration”*** paper presented at the Multidisciplinary Research and Intermediation Workshop held by Global Development Network at Dakar, Senegal, January 27-28, 2005.
12. ***“Causes of Fertility Decline in India and Bangladesh: An investigation”*** paper presented at the Fourth Conference of the South Asia Network of Economic Research Institutes (SANEI), hosted by Bangladesh Institute of Development Studies, Dhaka, August 28-30, 2002.
13. Resource person to the workshop on ***“Health Consequences of Population Changes in Asia: What are the issues”***, June 13-14, 2002, organised by Asian Meta Centre for Population and Sustainable Development, Singapore, at Siam City Hotel, Bangkok.
14. ***“The Data for the study of Health insurance in India”*** paper presented at the workshop on ***“Health New Institutional and Economic Approaches to Health Insurance for the Poor in India”*** at Center for Development Research (ZEF), University of Bonn, Germany, April 22-23, 2002.
15. ***“Neonatal Mortality in India: Emerging Paradoxes”*** paper presented in the colloquium series at the Population Studies Center, University of Pennsylvania, USA, November 6, 2000.
16. ***“An Analysis of Neonatal Mortality in India”***, paper presented in the Brown Bag series at the Harvard Center for Population and Development Studies, USA, October 24, 2000.
