AN ALL INDIA INSTITUTE FOR INTER-DISCIPLINARY RESEARCH & TRAINING IN THE SOCIAL SCIENCES

Mr. S Ashok Rao
Registrar

31st July 2024

Ref: /ISEC/AMC-Computer/07/2024 /401

Dear Sir,

Subject: Comprehensive Annual Maintenance Contract of Computers, Printers and Computer Peripherals for the year 2024-25.

The Institute intends to enter into a Comprehensive Annual Maintenance Contract (AMC) for maintaining Computers, Printers and Computer Peripherals for one year. You are requested to quote your lowest price after going through the normal conditions of AMC as in **Annexure 'A'** and the list of Computers, Printers and Computer Peripherals as in **Annexure 'B'** enclosed. **Individual rates** for each item may be quoted separately. A brief summary of Systems is given below.

Brief Summary of Computers and Computer Peripherals		
No of Desktop Systems	126	
No of All-in-one Desktop Systems	13	
No of Laptop Systems	38	
No of Servers	6	
Total No of Systems		183
No of LaserJet printers (black)	85	
No of Colour Laserjet Printers	4	
No of Colour Deskjet Printers	3	
No OfficeJet All-in-one Printers	3	
Total No of Printers		95

Annexure 'A'

Normal Conditions for Comprehensive Annual Maintenance Contract

1. The Comprehensive Annual Maintenance Contract of the Computers, Printers and Peripherals is for one year (1st September 2024 to 31st August 2025).
2. The AMC Charges will be paid quarterly.
3. Some of the Systems are **under manufacturer's warranty**, which has been indicated separately. For such of those systems only preventive maintenance and general support charges may be quoted.
4. **The Comprehensive AMC covers all spare parts** other than consumables such as laptop batteries, inkjet cartridges, laser printer toners, laser printer fuser assembly, monitor picture tubes, LCD/TFT Panels.
5. **Standby Computers and Printers** should be provided in case the problems are not rectified within a working day. The AMC provider will have the option of replacing the defective parts with either repaired or refurbished parts. However, if a part once replaced or repaired is reported to have a problem within a month, the AMC provider is required to replace it with a new part.
6. **Preventive maintenance** should be done once in three months for the computers and peripherals during the last week of each quarter. After completion of the preventive maintenance the quarterly bill must be submitted.
7. **A reasonably good Desktop Computer and a LaserJet Printer** must be kept in the Institute as standby by the service provider for immediate replacement in case of emergencies.
8. The service provider should keep **sufficient stock of the most frequently required spare parts** like mouse, RAM, Keyboards and Hard Disks etc., at the Institute for immediate repair/replacement.
9. A Reasonably **trained and experienced resident engineer** has to be posted at the Institute and should be available from 9.15 AM to 5.45 PM on all working days(Monday to Saturday) and on holidays if there is any emergency.
10. Any Service provided by the resident service engineer in relation to the complaints by the users should be duly acknowledged in the register and to be counter signed by the computer in-charge which in turn will be verified by the concerned authority. This will be used for quarterly evaluation of the AMC.
11. Institute **evaluates AMC once in every quarter** and if the evaluation report is found unsatisfactory, the Institute can terminate the AMC with immediate effect.
