

As per the tender document, the pre-bid meeting was held on July 2, 2025 at 3:00 p.m. One of the participants had raised a question about the rates of Innova AC. As per the tender notification page 4 under Terms and Conditions point 1: All vehicles to be provided should be of 2020 and above model. Also, it is brought to the notice that manufacturing of Innova AC has been stopped after 2017.

Hence, there will be a concession on not quoting the rates for Toyota Innova AC. This is to be considered while submitting the tender document.
