Ref: /ISEC/AMC-Computer/01/2026/744

Dear Sir,

Subject: Comprehensive Annual Maintenance Contract for Computers, Printers and Computer Peripherals for the year 2026-27.

The Institute intends to enter a Comprehensive Annual Maintenance Contract (AMC) for maintaining Computers, Printers and Computer Peripherals for one year. You are requested to quote your lowest price after going through the Normal Conditions in **Annexure 'A'** and the list of Computers, Printers and Computer Peripherals as in **Annexure 'B'** in the format attached in **Annexure 'C'**.

If required, you are free to visit our Institute to inspect the systems during office hours from 9.30 AM to 5.30 PM on working days before quoting the price.

The quotations in the prescribed format which is attached, should be signed and sealed along with the necessary attachments insert in one bigger Single Cover sealed and super-scribed with "**Quotation for Comprehensive AMC of Computers for 2026-27**" should reach the office of the Registrar on or before **5.00 PM 28th January 2026**,

Yours sincerely

Registrar I/c

Registrar I/c
Institute for Social and Economic Change
Dr. V.K.R.V. Rao Road, Nagarabhavi Post,

Normal Conditions for Comprehensive Annual Maintenance Contract

1. The Comprehensive Annual Maintenance Contract of Computers, Printers and Peripherals is for one year (1st February 2026 to 31st January 2027).
2. The AMC Charges will be paid quarterly.
3. Some of the Systems are **under manufacturer's warranty**, which has been indicated separately. For such of those systems only preventive maintenance and general support charges may be quoted.
4. **The Comprehensive AMC covers all spare parts** other than consumables such as laptop batteries, inkjet cartridges, laser printer toners, laser printer fuser assembly, monitor picture tubes, LCD/TFT Panels.
5. **Standby Computers and Printers** should be provided in case the problems are not rectified within a working day. The AMC provider will have the option of replacing the defective parts with either repaired or refurbished parts. However, if a part once replaced or repaired is reported to have a problem within a month, the AMC provider is required to replace it with a new part.
6. **Preventive maintenance** should be done once in three months for the computers and peripherals during the last week of each quarter. After completion of the preventive maintenance the quarterly bill must be submitted.
7. **A reasonably good Desktop Computer and a LaserJet Printer** must be kept in the Institute as standby by the service provider for immediate replacement in case of emergencies.
8. The service provider should keep **sufficient stock of the most frequently required spare parts** like mouse, RAM, Keyboards and Hard Disks etc., at the Institute for immediate repair/replacement.
9. A Reasonably **trained and experienced resident engineer** has to be posted at the Institute and should be available from 9.15 AM to 5.45 PM on all working days (Monday to Saturday) and on holidays if there is any emergency.
10. Any Service provided by the resident service engineer in relation to the complaints by the users should be duly acknowledged in the register and to be counter signed by the computer in-charge which in turn will be verified by the concerned authority. This will be used for quarterly evaluation of the AMC.
11. Institute **evaluates AMC once every quarter** and if the evaluation report is found unsatisfactory, the Institute can terminate the AMC with immediate effect.
