Training Programme on Research Methodology with Hands-on Training

Institute for Social and Economic Change (ISEC) is a premier autonomous research institute established in 1972, dedicated to interdisciplinary research and training in social sciences. The Institute is nationally recognized for its contribution to policy-oriented research and academic excellence. The Institute for Social and Economic Change (ISEC) invites applications for a 21-Day Intensive Training Programme on Research Methodology with Hands-on Training.

The 21-Day Intensive Training Programme on Research Methodology with Hands-on Experience is designed to equip participants with strong conceptual foundations and practical skills in research design, data collection, analysis, and academic writing. The training combines lectures, workshops, real-time exercises, and guided project work to ensure practical exposure.

Participants will receive practical exposure to:

- Research design & problem formulation
- Literature review & research gap identification
- Questionnaire design (Google Forms, KoboTool, SurveyCTO)
- Statistical analysis and interpretation
- Use of research software (hands-on sessions)
- Meta-analysis
- Academic writing and publication guidance
- Preparation of research proposals

Who Can Apply?

- Assistant Professors in colleges and universities
- Researchers and Academicians
- Ph.D. Scholars
- Professionals interested in research methods
- Participants from any discipline with interest in research and statistical analysis
